

## KEY BENEFITS

### SIMPLIFIED AND IMPROVED MOBILE ACCESS TO ACUMATICA

Acumatica for iOS and Android makes it even easier for users to access information and work in Acumatica.

### A CONSISTENT MOBILE EXPERIENCE

Whether you use an iOS or Android device, Acumatica offers the same functionality across both platforms.

### AN EXTENSIBLE MOBILE APPLICATION FRAMEWORK

Developers, partners, and ISVs can develop mobile applets that will work transparently across all mobile platforms supported by Acumatica. Ask your partner about applets that can be added to your Acumatica mobile app.

### FREE FOR ACUMATICA CUSTOMERS

The Acumatica mobile app is available at no extra cost for Acumatica customers. Simply download the app, login, and begin accessing available out-of-the-box features.

# ACUMATICA FOR IOS AND ANDROID

Acumatica's native mobile app makes it even easier to access and use Acumatica wherever you are

Not only can your workforce access Acumatica from any web browser on any device, they can now also participate in ERP processes using the native Acumatica app on their own iOS and Android devices. Downloadable for free from the Apple App Store and Google Play, Acumatica enables you and your team to do more in less time, increasing efficiency and involvement in business processes.

## FEATURES OF ACUMATICA FOR IOS AND ANDROID

- **Real-time access.** The Acumatica mobile app connects to Acumatica in real time, so you always have access to up-to-date information.
- **Automatic synchronization.** Changes made in the mobile app are synced within Acumatica automatically.
- **Mobile device integration.** Leverage the unique capabilities of your mobile device such as the camera or fingerprint reader.

## MOBILE APPLETS AVAILABLE OUT OF THE BOX

<b>Expense receipts and claims</b>	Submit new expenses using the camera on your device to photograph receipts. View submitted expense claims to see if they have been approved.
<b>Events</b>	Create an event in the Acumatica mobile app and edit it from the Acumatica Customer Management Suite later.
<b>Approvals</b>	Review and complete approvals in just a few clicks.
